## About me

I am a skilled Web Developer with expertise in WordPress and Shopify store development. I specialize in creating responsive, user-friendly websites that help businesses grow. With strong skills in branding and graphic design, I ensure your online presence stands out. I have experience in designing custom logos, banners, and complete brand identity. Whether you need a website from scratch or a revamp, I deliver quality work on time. Hire me to bring your digital vision to life!

## Experience

### 1. PixelSoft Technologies – Web & UI/UX Developer

Feb 2023 - Present

Designed and developed responsive WordPress and Shopify websites for small businesses and e-commerce clients.

Created user-friendly UI/UX layouts that improved client satisfaction and engagement.

Led branding projects including logo, banner, and social media design.

### 2. CodeWave Solutions – Junior Web & Graphic Designer

Jun 2021 - Jan 2023

Assisted senior developers with website development and maintenance.

Designed promotional graphics, mockups, and brand identities.

Supported app interface design projects for startups.

## Information

- Available for remote and freelance opportunities.
- Strong communication and teamwork skills.
- Passionate about learning modern design and development tools.
